

# PAsup\_OrderStatus

## Order Statuses

These are the available order statuses, in chronological order:

Status	Description
Submitted	Order was created and is waiting for Approval, Rejection or Cancellation.
Pending	Order was approved, and sent to Pearson. <i>At this stage the status of the order cannot be changed in the system.</i>
Processing	Order was received, and is being processed at Pearson.
Transit	Order was processed, and the system received the shipment information.
Delivered	Order was processed and delivered.
Rejected	Order was denied.
Backordered	Order was processed, and Pearson will deliver available ordered materials. <i>Pearson will ship the remainder of ordered materials as they become available.</i>

*An email notification is sent when order status changes to rejected, approved, or shipped.*
