View Longitudinal Reports
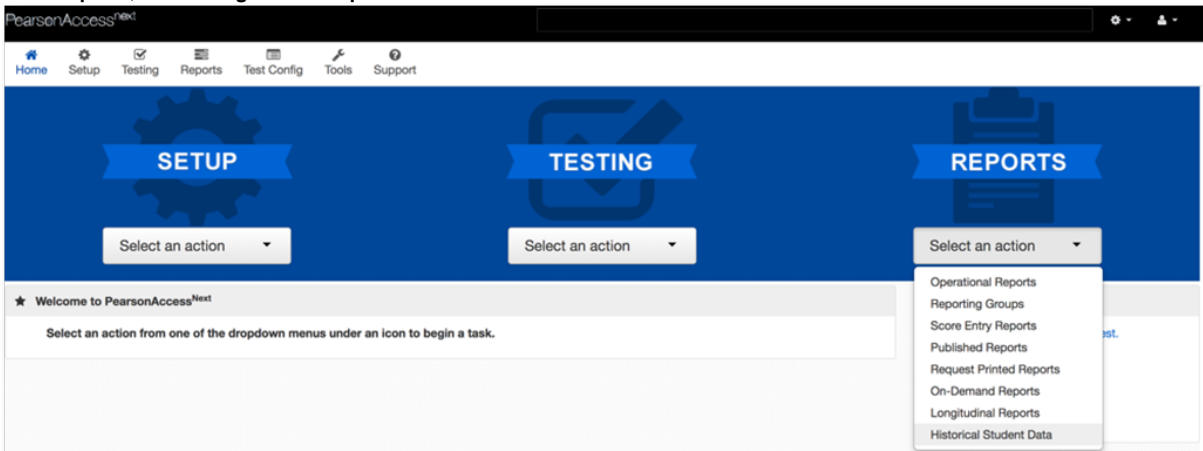

ℹ️ *Feature availability varies by program.*

You can view longitudinal reports to compare assessment results and details for student groups across administrations and organizations. These reports provide a way for authorized users to apply filters to compare summary and detailed data.
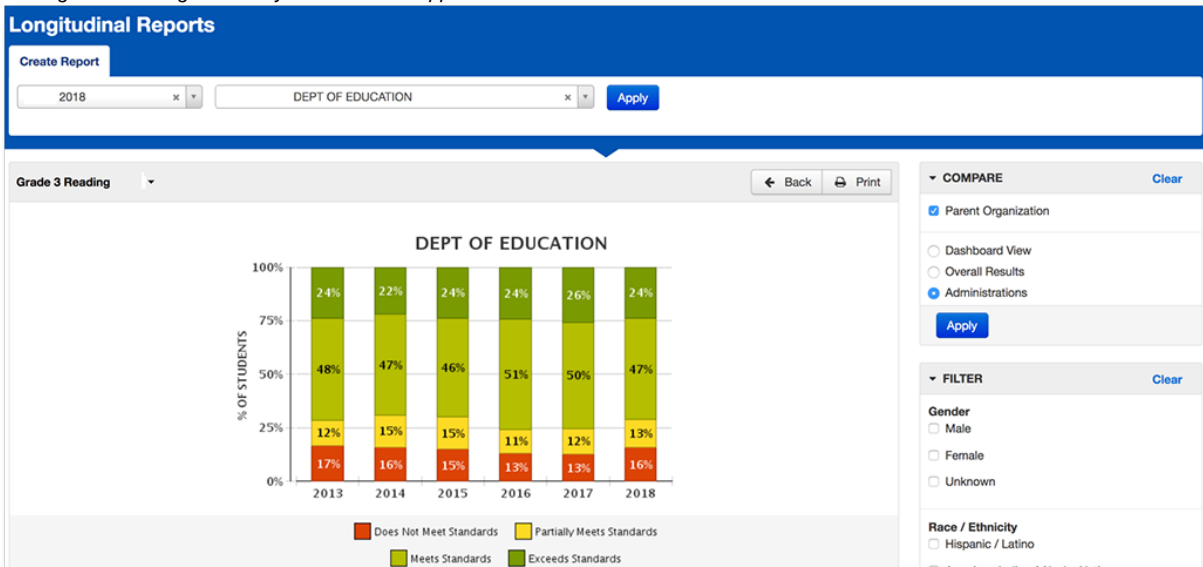

Available data varies by user role and permissions.

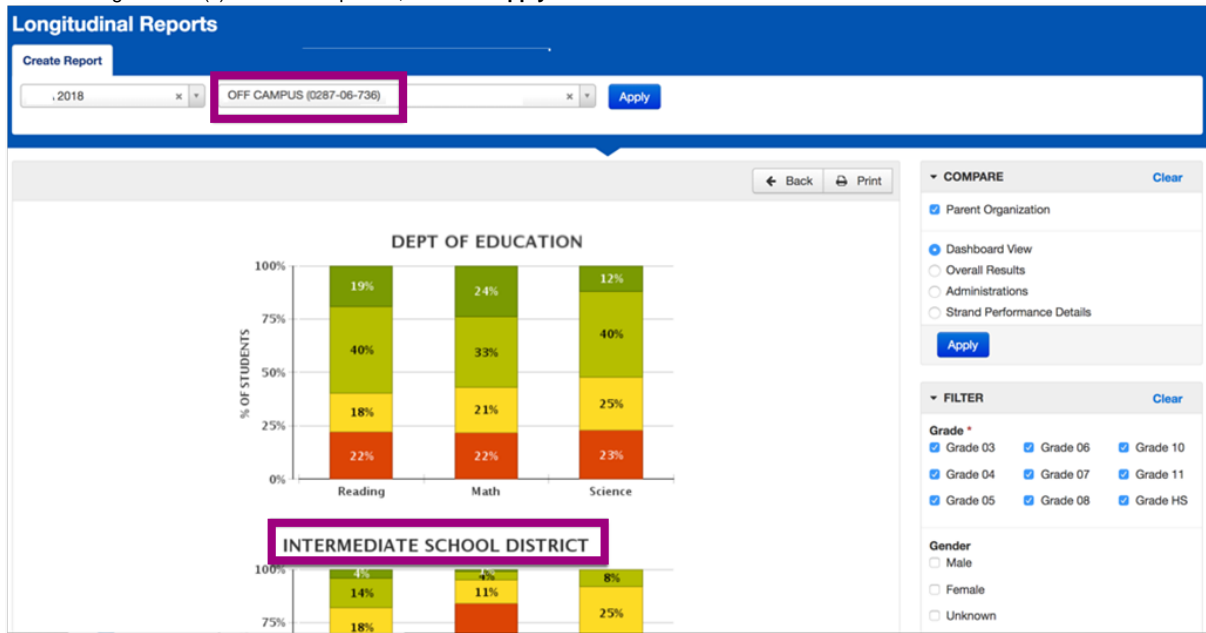

Step-by-Step

1. From **Reports**, select **Longitudinal Reports.**

*The highest-level organization you can access appears.*

2. Select an organization(s) from the dropdown, and click **Apply**.

a. To remove an organization, click the **X**.

3. Select a filter(s) to limit data available.
