TestNav - 2020-2021 system requirement changes

Technical Bulletin

Updated June 23, 2020; Published May 14, 2019

What is happening?

Pearson plans to ***drop support*** for operating system (OS) and browser versions below by the indicated time frame.

2020-2021 School Year

> ⚠ **Update - June 23, 2020**
>
> Pearson has temporarily delayed dropping support for **Windows 7** and **8.1** to ensure that students requiring distance learning due to COVID-19 can access TestNav tests, if they are running those OSs.

Browser versions (*used only for practice tests*):

- IE11
