Before testing, refer to your assessment management system user guide to configure TestNav and complete the following steps.

1. Configure primary and a *secondary save location* through your assessment management system.
2. Configure student accounts to have *complete read, write, and delete access* in these save locations.
3. Communicate SRF and log file locations to test proctors.
4. Give proctors access to SRF and log files by *either* of the following:
  - Grant admin rights to proctors on each testing computer.
  - Instruct proctors to access these files while the student is logged in to the testing computer.
