The screenshot displays a web application interface for "Students in Sessions". At the top, there is a blue header with the title "Students in Sessions" and a link "Go to Sessions »". Below the header, there are two main sections: "Tasks" and "Students in Sessions".

The "Tasks" section shows "0 Selected" and a "Select Tasks" dropdown menu. A "Start" button is visible next to it. The "Students in Sessions" section has a "Manage" button.

Below these sections, there is a "Session List" area with an "Add a Session" button. A light blue tooltip points to the "Start" button, containing the text: "Add a specific session to the left or search all sessions in 2".

The "Find Students" section is currently set to "In the selected session(s) above". It features a search input field with the placeholder text "Last or Surname starts with" and a "Search" button. Below the search field, there is a checkbox labeled "Show all results" which is checked. A yellow tooltip points to the "Search" button, containing the text: "This action clears the search and filters".

At the bottom left, there is a "Filters" section with "Organization" as a filter. It includes "Clear" and "Hide" buttons. A "No Results" button is also present.
