

# Manage Contacts

**On this page:**

[General Information](#) [Instructions](#) [What's Next?](#)

Search

You can manage contacts to designate the contact person(s) for paper-testing activities and materials shipments. Contact information often varies by testing program — the most common contacts provided are a shipping contact (*street address* for UPS, FedEx, etc.) and a mailing contact (*mailing address*).

## Step-by-Step

### Read It

(Click  to view image)

1. Select **Setup**, select **Organizations**. 
2. Click **Select Tasks**, select **Manage Contacts**, and click **Start**. 
3. Type/select the contact details. 
4. Click **Save**.
