*Feature availability varies by program.*

You can override the resume restriction when a student exceeds the allowed exit time.

This allows the student to finish his or her test and review previously answered items.

## Prerequisites

You can apply the override resume restriction *only* to:

- Sessions which are **In-Progress**
- Students in the following statuses:
  - **Exited**
  - **Resumed**
  - **Resumed Upload.**

### Override Resume Restriction at the Session-level

1. From **Testing**, select **Sessions**. 
2. Type a session name into the search field, and click **Search**. 
3. Click the checkbox next to the session. 
4. Click **Select Tasks**, select **Override Resume Restriction**, and click **Start**. 
5. Select **Override** next to a **Session Name**, and click **Save**. 

*If there are multiple tests in a session, from the **Session Test** select a test, and then select **Override**.* 

*If you have selected multiple sessions for a test, you can either select override for individual sessions, or select override for all.*

### Override Resume Restriction for Students in Sessions

1. From **Testing**, select **Students in Sessions**. 
2. Click **Add a Session**. 
3. Type a session name into the search field, and click **Search**. 
4. Type a student name into the search field, and click **Search**. Select the checkbox next to the student test. 
5. You can override the resume restriction in two ways:
  - Select **Override Resume Restriction** from the **Student Test Status**. 
  - Click **Select Tasks**, select **Override Resume Restriction**, and click **Start**. 
  1. Click the checkbox next to the student. 
  2. Click **Save**.

### *Effects*

After you apply Override Resume Restriction, **OVRD** reflects the updated student test status. The updated test status allows the student to revisit an exited test section(s).
