

_PAsup_TestNavConfigurations_Search_ShowAllResult

The screenshot displays the 'TestNav Configurations' interface. At the top, there is a blue header with the title 'TestNav Configurations'. Below the header, a navigation bar shows 'Tasks 0 Selected' and a 'TestNav Configur' menu. A 'Select Tasks' dropdown and a 'Start' button are visible. A 'Manage' button is also present. The main section is titled 'Find TestNav Configurations' and includes a search input field with the placeholder 'Configuration Name starts with' and a 'Search' button. Below the search field, there is a 'Filters' section with 'Parent Organization' and a 'Select one or more' dropdown. A 'Show all results' checkbox is checked, and a yellow tooltip message states 'This action clears the search and filters'. A 'No Results' button is also visible.
