

# \_PAsup\_StudentTests\_Search\_ShowAllResults

The screenshot displays the 'Student Tests' interface. At the top, there is a blue header with the text 'Student Tests'. Below the header, there are two tabs: 'Tasks 0 Selected' and 'Student Tests 124'. The 'Student Tests' tab is active, showing a 'Manage' button. Below the tabs, there is a search section titled 'Find Student Tests'. It includes a search input field with the placeholder text 'Last or Surname starts with (minimum 2 charact)' and a 'Search' button. To the left of the search section, there is a 'Filters' section with the text 'Organization' and a 'Select one or more' dropdown. To the right of the search section, there is a 'Show all results' checkbox which is checked, and a yellow tooltip that says 'This action clears the search and filters'. The search results section shows '124 Results' and a table with a column header 'Student'.
