

_PAsup_Sessions_SelectTasks

The screenshot shows a user interface for managing sessions. At the top, there is a blue header with the text "Sessions" and a link "Go to Students in Sessions »". Below this is a grey bar with a hamburger menu icon, the text "Tasks", and "0 Selected". A dropdown menu is open, titled "Select Tasks", and contains a list of tasks with checkboxes:

- Create / Edit Sessions
- Precaching Test Content
- Delete Sessions
- Lock Units
- Add/Remove Students in Sessions
- Override Resume Restriction

At the bottom of the dropdown menu, there is a blue link: [Show Students in Sessions & Control Sessions](#)
