

_PAsup_Students_Search_ShowAllResults

The screenshot shows a web application interface for finding students. At the top, there is a blue header with the word "Students". Below the header, there are two panels. The left panel is titled "Tasks 0 Selected" and contains a "Select Tasks" dropdown menu and a "Start" button. The right panel is titled "Students 0 Selected" and contains a "Manage" button. Below these panels, there is a "Find Students" section with a dropdown menu set to "Registered to Spring Assessment". A search bar contains the text "Last Name starts with (minimum 2 characters)" and a "Search" button. To the left of the search bar, there is a "Filters" section with a "Clear Hide" link and a checkbox for "Across All Organizations". Below the search bar, there is a "2 Results" indicator and a table with a "First" column. A yellow tooltip message is displayed over the "Search" button, stating "Show all results" and "This action clears the search and filters".
