

# \_PAsup\_TestNavConfigurations\_SelectTasks

The screenshot displays the 'TestNav Configurations' interface. At the top, there is a blue header with the text 'TestNav Configurations'. Below the header, a grey bar contains the text 'Tasks 0 Selected' next to a hamburger menu icon. A search bar with the placeholder text 'Select Tasks' and a dropdown arrow is positioned to the left of a blue 'Start' button with a dropdown arrow. A dropdown menu is open below the search bar, listing three tasks with checkboxes:

- Create / Edit TestNav Configurations
- Delete TestNav Configurations
- Import/Export TestNav Configurations
