

Form Override

 Feature availability varies by program.

You can override a form to change a student's form assignment.

By default, the system randomly assigns forms to students. This feature allows you to assign a specific form to a student.

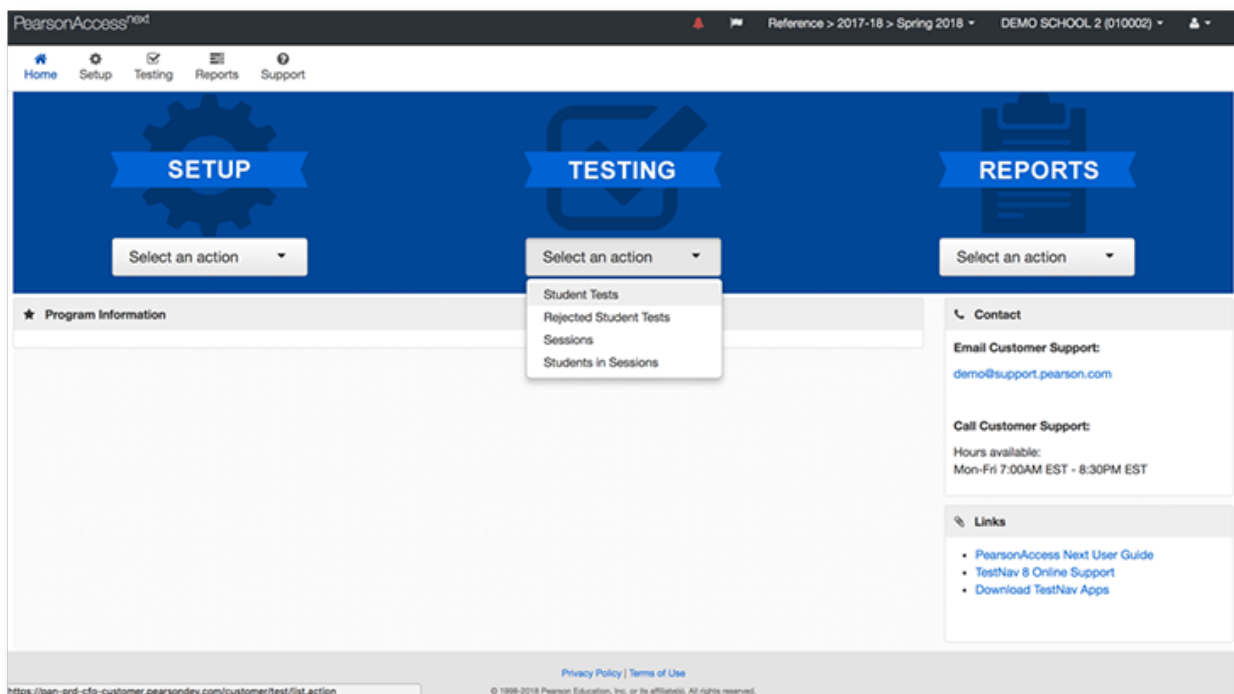

Prerequisites

Before you can change a student's form assignment, the system must have:

- Previously assigned the student a form.
- More than one test form available for the selected test.
- The student test in **Ready** status.

Step-by-Step

1. From **Testing**, go to **Students in Sessions**.

2. Click **Add a Session**.

Students in Sessions

Session List

Add a Session

Add a specific session to the left or search all sessions

Find Students

In the selected session(s) above

Search

3. Type the session name into the search field, and click the checkbox next to the session.

The screenshot displays the 'Students in Sessions' application interface. At the top, a blue header bar contains the title 'Students in Sessions' and a link 'Go to Sessions »'. Below the header, a grey bar shows 'Tasks 0 Selected' and a 'Select Tasks' dropdown menu. A 'Start' button is located to the right of the dropdown. The main content area is divided into a 'Session List' on the left and a search area on the right. The 'Session List' has an 'Add a Session' button. The search area has a search bar with the text 'Session Test' and a 'Filter' button. Below the search bar, it shows '2 items of 2' and a list of sessions: 'SESSION TEST' (checked) and 'SESSION TEST 2' (unchecked). A 'No more sessions to load' message is displayed below the list. At the bottom of the search area, there is an 'Add Selected' button. The 'Find Students' section is visible below the search area, with a dropdown menu set to 'In the selected session(s) above'. The 'Filters' section is also visible, with a 'Clear Hide' button and a 'Select one or more' dropdown for 'Organization'. The 'Student Code' section is at the bottom, with a 'Starts with' dropdown.

4. Click **Add Selected**.

The screenshot shows the 'Students in Sessions' interface. At the top, there's a blue header with the title 'Students in Sessions' and a link 'Go to Sessions »'. Below the header, there's a 'Tasks' section with '0 Selected' and a 'Select Tasks' dropdown menu. A 'Start' button is also visible. The main area is divided into a 'Session List' on the left and a search area on the right. A modal window is open over the 'Session List', showing a search bar with 'Session Test' entered. Below the search bar, it says '2 items of 2'. There are two items listed: 'SESSION TEST' with a checked checkbox and 'SESSION TEST 2' with an unchecked checkbox. At the bottom of the modal, it says 'No more sessions to load'. A red box highlights the 'Add Selected' button at the bottom of the modal. In the background, there's a 'Find Students' section with a search bar and a 'Filters' section with 'Organization' and 'Student Code' filters.

5. Type a student name into the search field. Click the checkbox next to the student test.

The screenshot shows the 'Students in Sessions' interface after a search. The 'Find Students' search bar now contains the name 'Noah'. Below the search bar, there's a 'Search' button. The 'Filters' section is still visible. The main area shows '1 Results'. Below this, there's a table with columns: 'Student Code', 'Last Name', 'First Name', 'Middle Name', 'Username', 'Session', 'Student Test Status', 'Form Group Type', and 'Form'. The table contains one row with the following data: '1294884777', 'NOAH', 'JENNA', '', '0475704902', 'SESSION TEST (Discovery Demo)', 'Ready', 'Main', and 'Demo (discovery_demo)'. A red box highlights the search bar and the 'Search' button.

6. Click **Select Tasks**, select **Form Override**, and click **Start**.
