The screenshot shows the 'TestNav Configurations' page. At the top, there's a blue header bar with 'Tasks 0 Selected' and a 'Start' button. To the right of the start button is a dropdown menu titled 'TestNav Configuration' with a single item 'Manage'. Below the header is a search section titled 'Find TestNav Configurations' with a search input field and a 'Search' button. A context menu is open over the 'Search' button, containing the option 'Show all results' with a checked checkbox. A tooltip below the menu explains that this action 'This action clears the search and filters'. On the left, there's a 'Filters' section with a 'Parent Organization' dropdown and a 'Select one or more' button. The main area shows a message 'No Results'.
