

Reset Your Password

You can reset your password two ways.

Option - Before Logging In

This method is useful if you have forgotten your password, but it does make you wait for an email to arrive.

1. From the login page, click the **Forgot Password** button.
2. Enter your email address and click **Reset Password**.

You will receive an email with instructions to reset your password. Follow the directions in the email.

Option - After Logging In

This method is faster because you don't need to wait for an email.

1. Click the gear icon in the upper right of the page.
2. Select **Change Password**.
3. Enter your current password and new password and click **Submit**.
