Prior to testing, complete the following steps:

- 1. Familiarize yourself with the default primary save location.
- 2. Configure the secondary save location through your assessment management system. The same secondary save location applies to all computers and devices. You only need to set this configuration one time.
- 3. Communicate SRF and log file locations/procedures to proctors (see Primary Save Location below).4. Note which student tests on which device during infrastructure trials and on test days.
