View OnDemand Reports

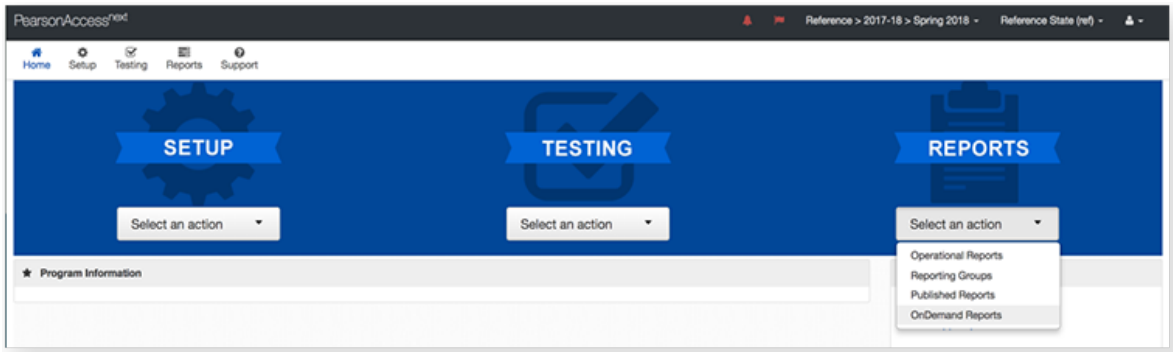

You can access OnDemand reports to view student assessment results/details in real time. Feature availability varies by program.

- **The Student Detail Report** displays student(s) assessment details, including graphs, overall score, and sub-scores.
- **The Student List Report** displays all the students and their assessment details based on the selected filters.

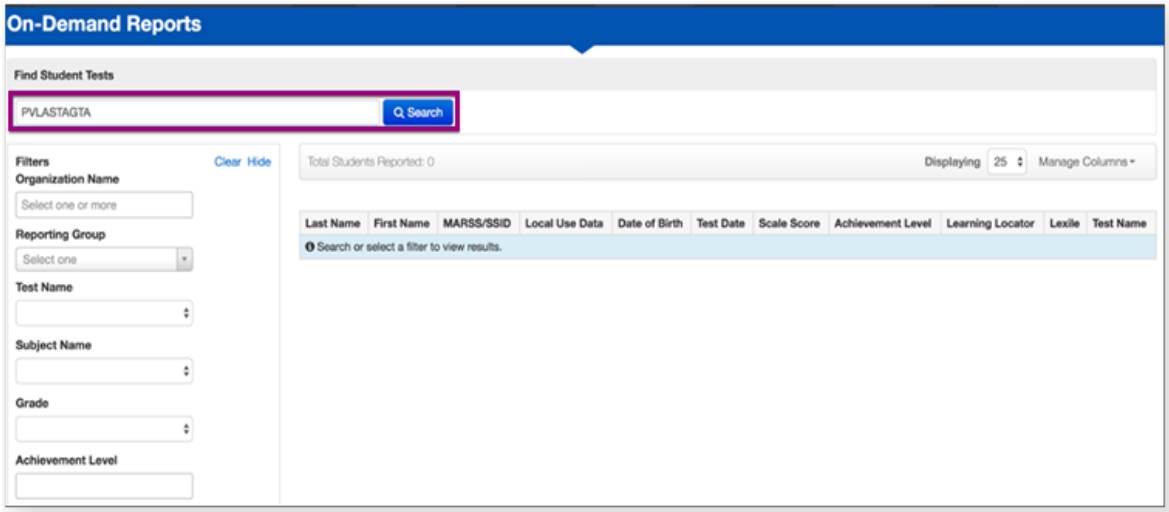

Depending on the selected filters, report details vary.

Step-by-Step

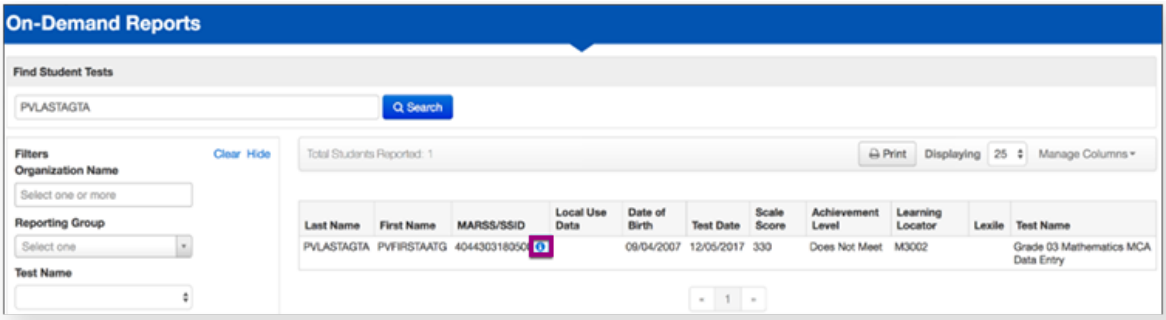

1. From **Reports**, select **OnDemand Reports.**

2. Type student names into the search field, and click **Search.**

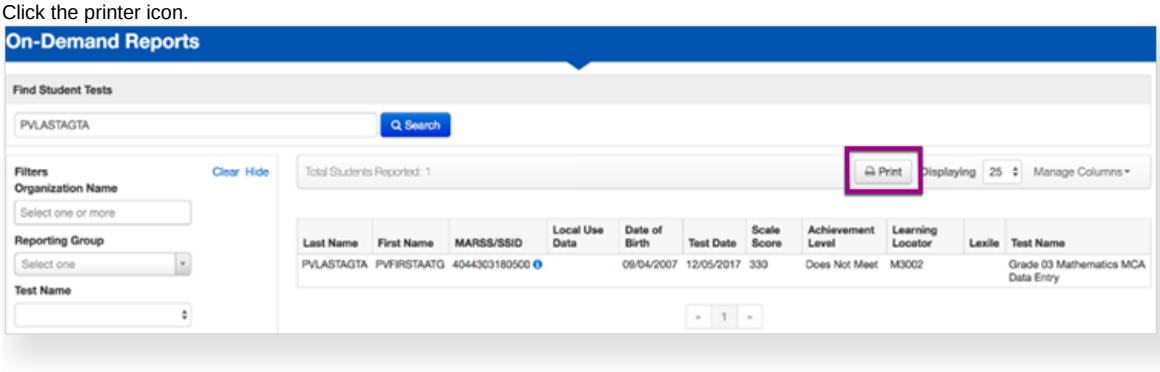

3. Click the information icon to view the student report.

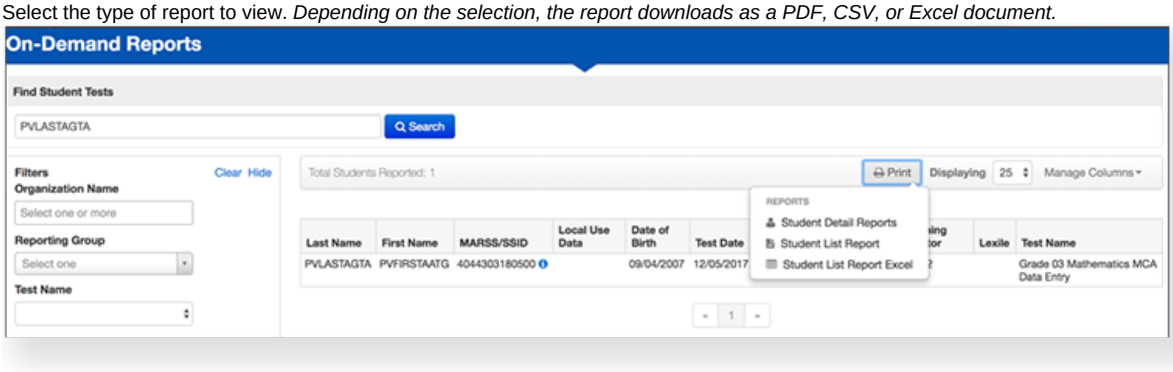

What's Next? (Optional)

1. Click the printer icon.

2. Select the type of report to view. *Depending on the selection, the report downloads as a PDF, CSV, or Excel document.*

3. Print the report.
