

Mark Favorite and Rate a Resource

 Some features are only available to some users. If you do not see a specific feature, your account is not configured to access it.

You can star rate a resource  with one to five stars — one star indicating the lowest rating and five stars indicating the highest. You can also click the favorite icon  to **Save to Favorites**.

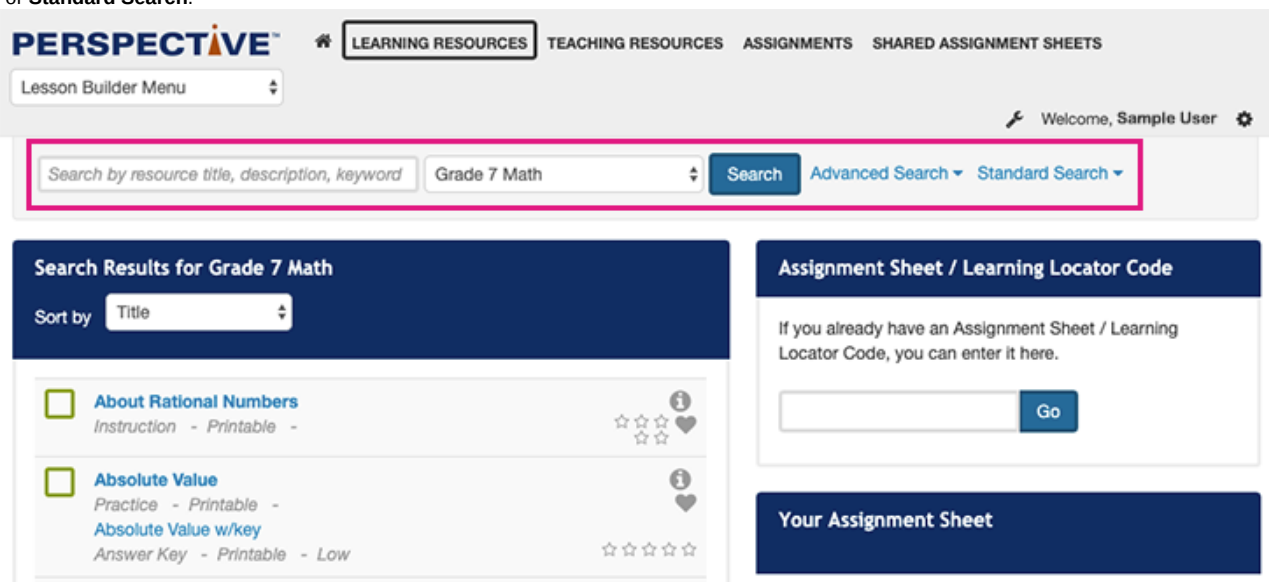

1. Click/Select **one of the options below** (from the top of the page down).

The screenshot shows the PERSPECTIVE website interface. At the top, there are navigation tabs: **LEARNING RESOURCES**, **TEACHING RESOURCES**, **ASSIGNMENTS**, and **SHARED ASSIGNMENT SHEETS**. Below these is a **Lesson Builder Menu** dropdown. On the right, there is a **Welcome, Sample User** message with a settings icon. The main content area is divided into two sections: **Lesson Builder** and **Assignment Sheet / Learning Locator Code**. The **Lesson Builder** section contains a welcome message and a link to the **Educator Quick Start Guide**. The **Assignment Sheet / Learning Locator Code** section contains a text input field and a **Go** button. Below these sections, there is a **Math Learning Resources** section with five grade buttons: **GRADE 3**, **GRADE 4**, **GRADE 5**, **GRADE 6**, and **GRADE 7**.

- Option 1 - Click the **LEARNING RESOURCES** tab at the top of the page.
- Option 2 - Select the **Lesson Builder Menu**.
**only available for some customers*
- Option 3 - Click a learning resource icon beneath a subject.

2. You can, then, select a Grade/Subject above the list of available resources to filter them. You can also enter search criteria and click **Advanced** or **Standard Search**.

The screenshot shows the PERSPECTIVE website interface with search results for Grade 7 Math. The navigation tabs are the same as in the previous screenshot. The **Lesson Builder Menu** dropdown is still visible. The **Welcome, Sample User** message is also present. The main content area is divided into two sections: **Search Results for Grade 7 Math** and **Assignment Sheet / Learning Locator Code**. The **Search Results for Grade 7 Math** section contains a **Sort by** dropdown menu set to **Title**. Below this, there is a list of search results for Grade 7 Math, including **About Rational Numbers**, **Absolute Value**, and **Absolute Value w/key**. Each result has a checkbox, a description, and a star rating. The **Assignment Sheet / Learning Locator Code** section contains a text input field and a **Go** button. Below these sections, there is a **Your Assignment Sheet** section.

3. To rate a resource, click one through five of the stars to the right of it, or click the heart icon to **Save to Favorites**.

Search Results for Mathematics

Sort by Title

☐ **A Magic Square for Polynomials**
Practice - Printable - Medium

5

- a. You can sort resources by their ratings from highest to lowest. Click the **Sort by** dropdown, and select **Resource Rating**.
