Mark Favorite and Rate a Resource

Some features are only available to some users. If you do not see a specific feature, your account is not configured to access it.

You can star rate a resource ★★★☆☆ with one to five stars — one star indicating the lowest rating and five stars indicating the highest. You can also click the favorite icon ♥ to **Save to Favorites**.

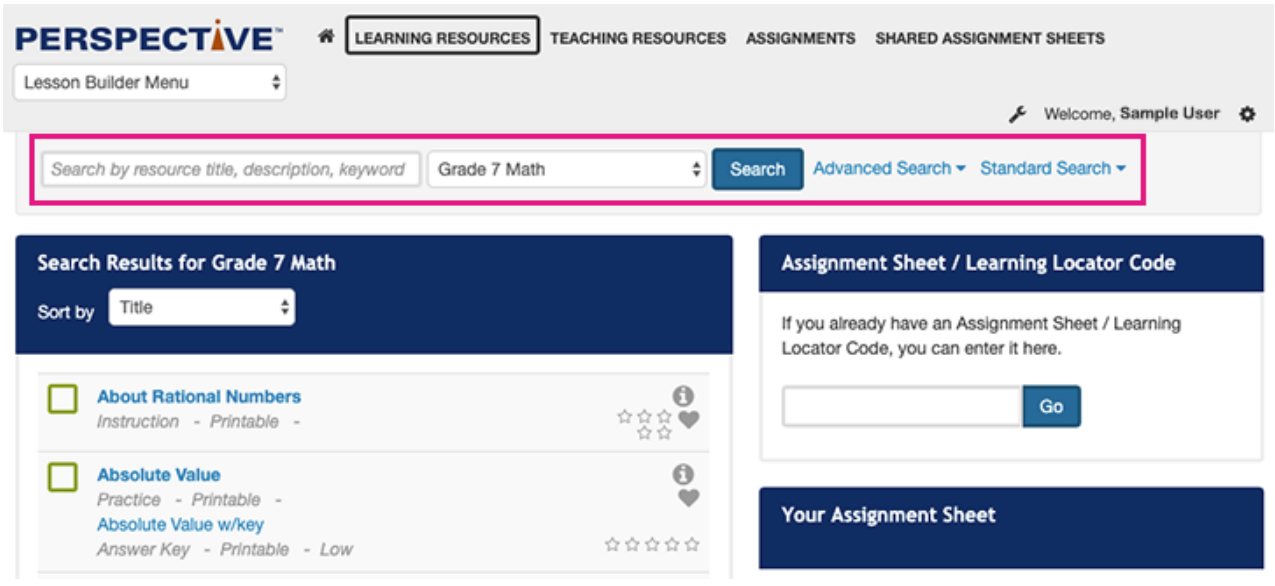

1. Click/Select ***one of the options below*** (*from the top of the page down*).

- Option **1** - Click the **LEARNING RESOURCES** tab at the top of the page.
- Option **2** - Select the **Lesson Builder Menu.**
  **only available for some customers*
- Option **3** - Click a learning resource icon beneath a subject.

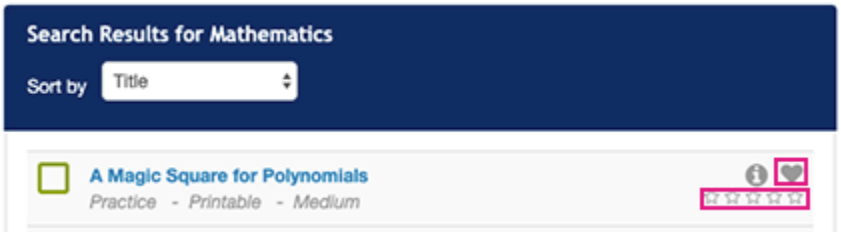

---

2. You can, then, select a Grade/Subject above the list of available resources to filter them. You can also enter search criteria and click **Advanced** or **Standard Search**.

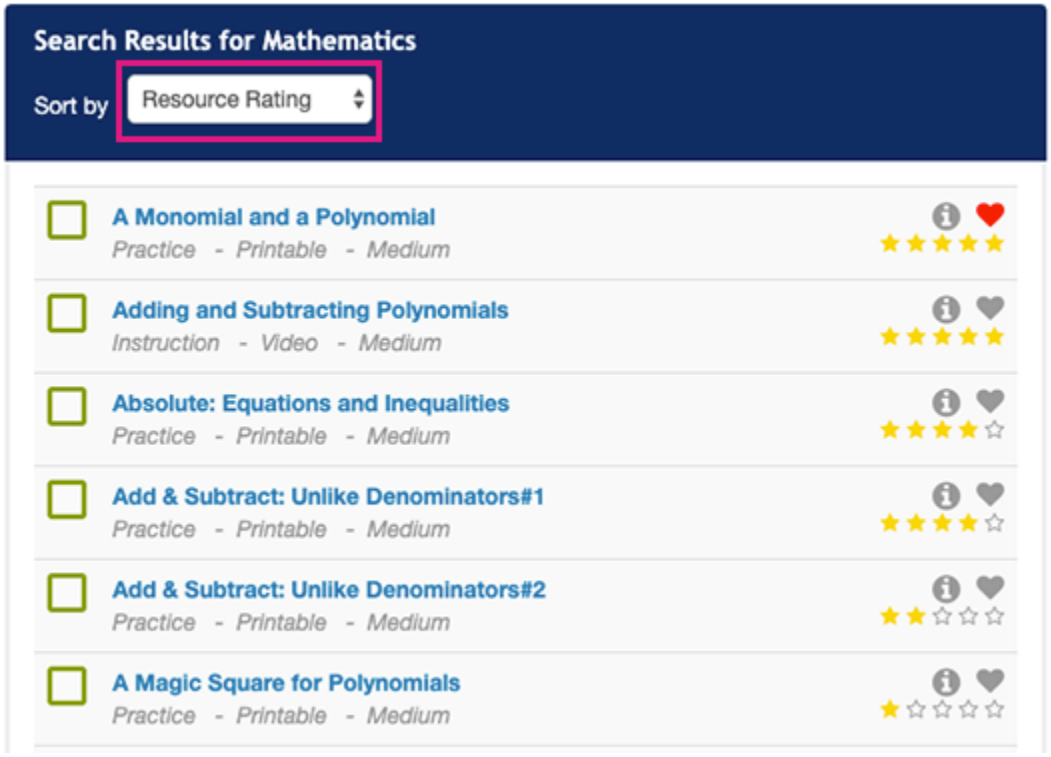

---

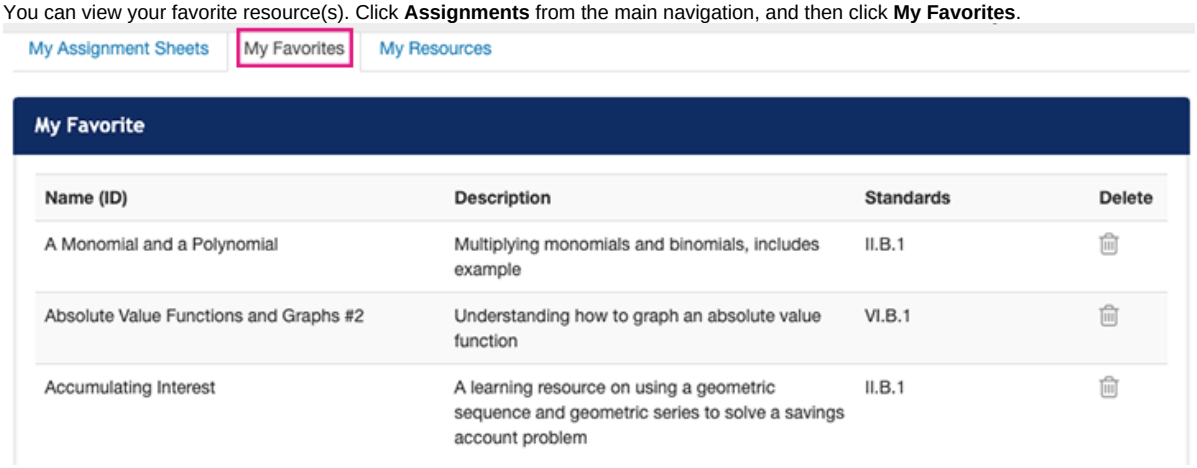

3. To rate a resource, click one through five of the stars to the right of it, or click the heart icon to **Save to Favorites**.

   a. You can sort resources by their ratings from highest to lowest. Click the **Sort by** dropdown**,** and select **Resource Rating**.

   b. You can view your favorite resource(s). Click **Assignments** from the main navigation, and then click **My Favorites**.

   - To delete a resource from your **My Favorites** list, click the delete icon at the end of the resource's row.
