Upload Resources

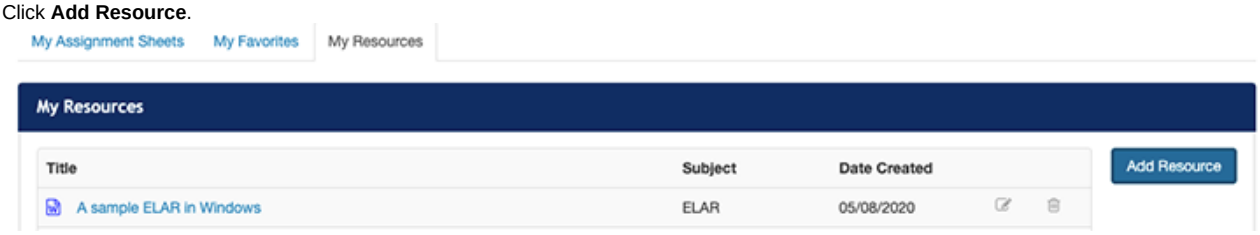
Some features are only available to some users. If you do not see a specific feature, your account is not configured to access it.

You can upload resources for your reference, to add to an assignment, and to share with others as a Learning Resource.

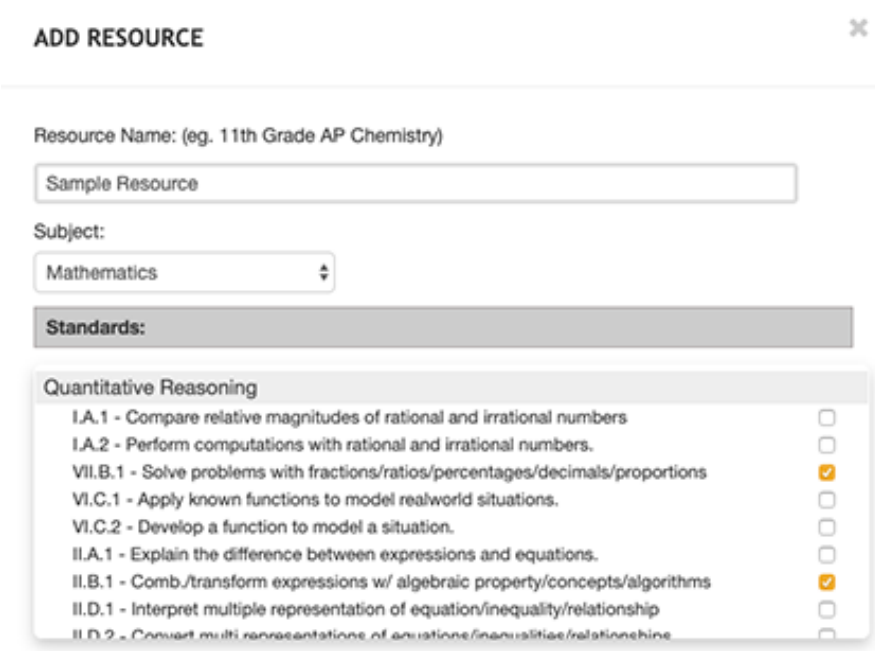
Step-by-Step

1. Click **Assignments,** and click **My Resources**.

2. Click **Add Resource**.

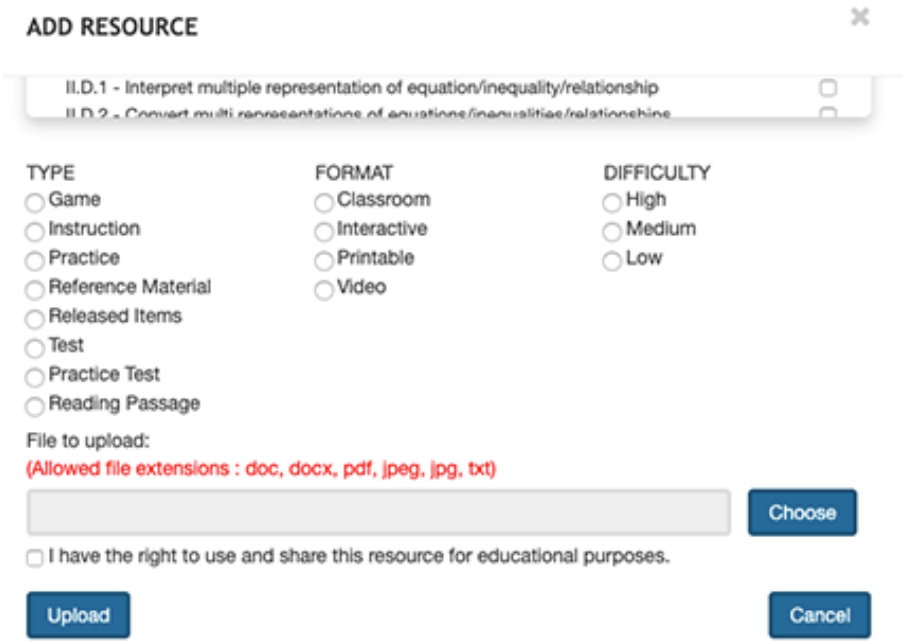


3. In the **ADD RESOURCE** pop-up, enter the **Resource Name** and select a subject. Then, select applicable **Standards**.



4. Select the resource **Type**, **Format**, and **Difficulty**. Then, click **Choose** to upload the resource file.

5. Select **I have the right to use and share this resource for educational purposes**, and click **Upload**.



What's Next?

- From the **My Resources** tab, you can
  - View an uploaded resource.
    - Click the resource name.
  - Edit a resource.
    - Click the Edit icon next to the **Date Created** column, and then click **Edit**.
  - Delete a resource.
    - Click the Delete icon at the end of the resource's row, and then click **Delete**.
- From any Perspective page, you can view and add your uploaded resources to assignment sheets.
