Digital Item Library User Guide

Search the Digital Item Library Online Support:

The Digital Item Library provides access to thousands of released items, item correlations, standards, and evidence statements.

Every item contains metadata and performance statistics to help you search for specific items. You can preview items and download them, individually or in bulk.

The features and capabilities of the Digital Item Library are:

- **Getting Started**
- **System Requirements**
- **Locate Item(s)**
- **View Item Details**
- **Download Item(s)**

✓ Pearson recommends that customers consult this online user guide for the most current information.
