Remove Student Tests from a Group

Feature availability varies by program.

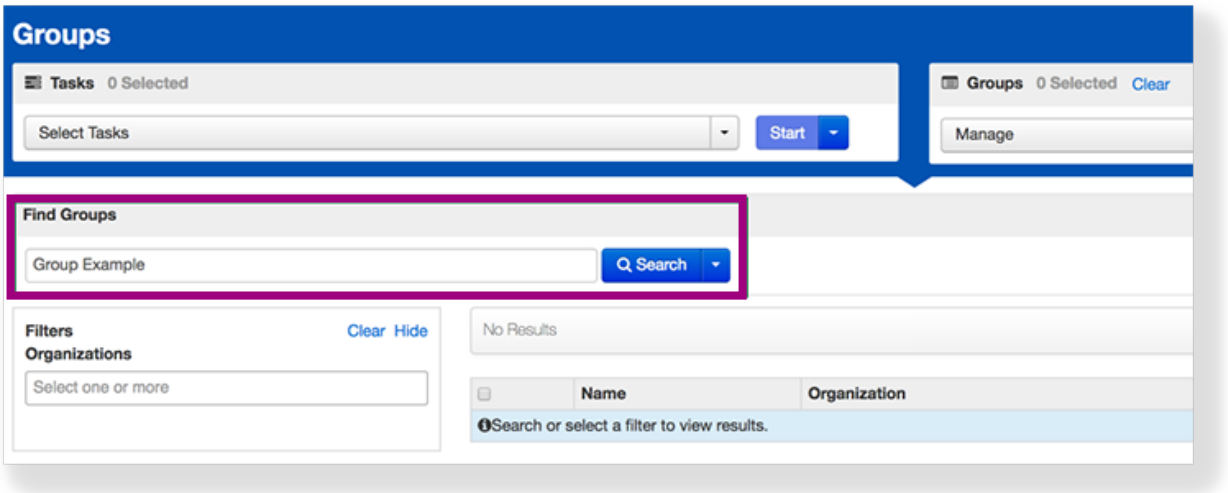

You can remove student tests from a group to delete test data for completed administrations.

Step-by-Step

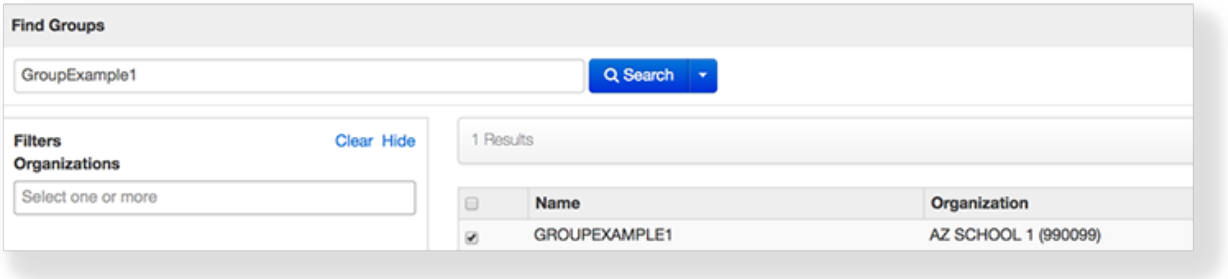

1. From **Setup**, select **Groups.**

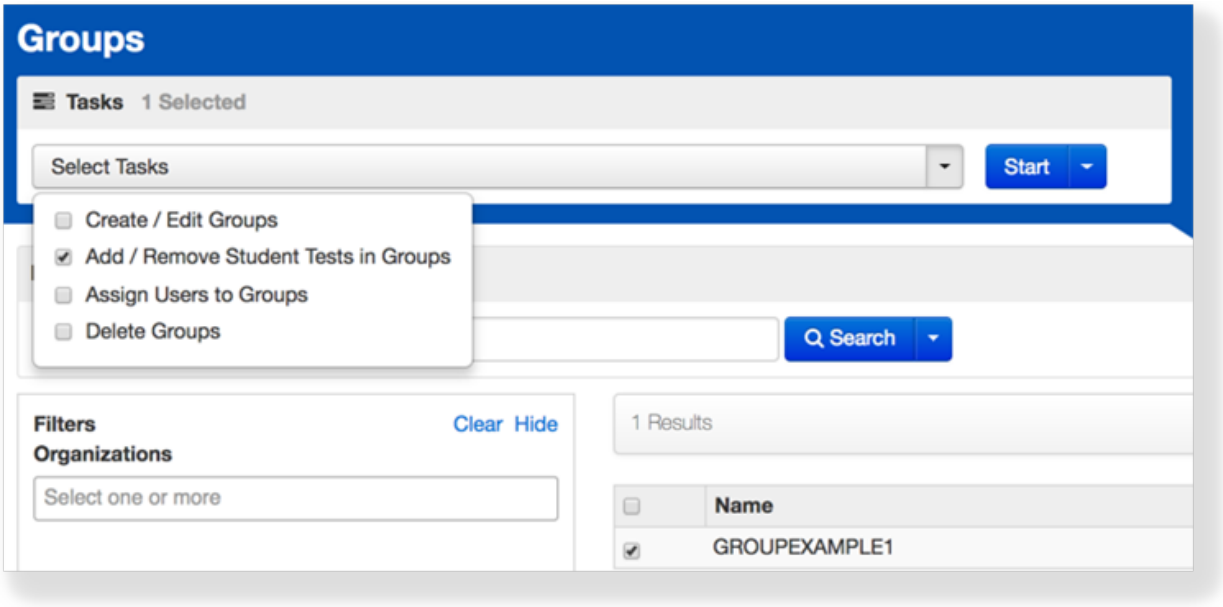

2. Type a group name into the search field, and click **Search.**

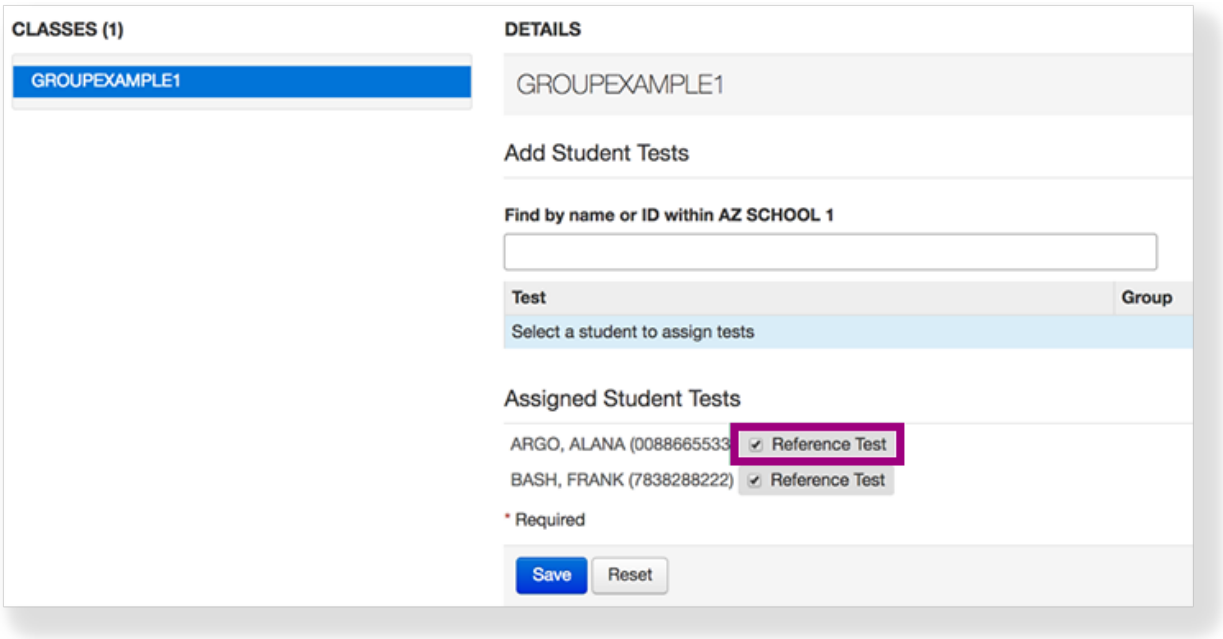

3. Click the checkbox next to the group to edit.

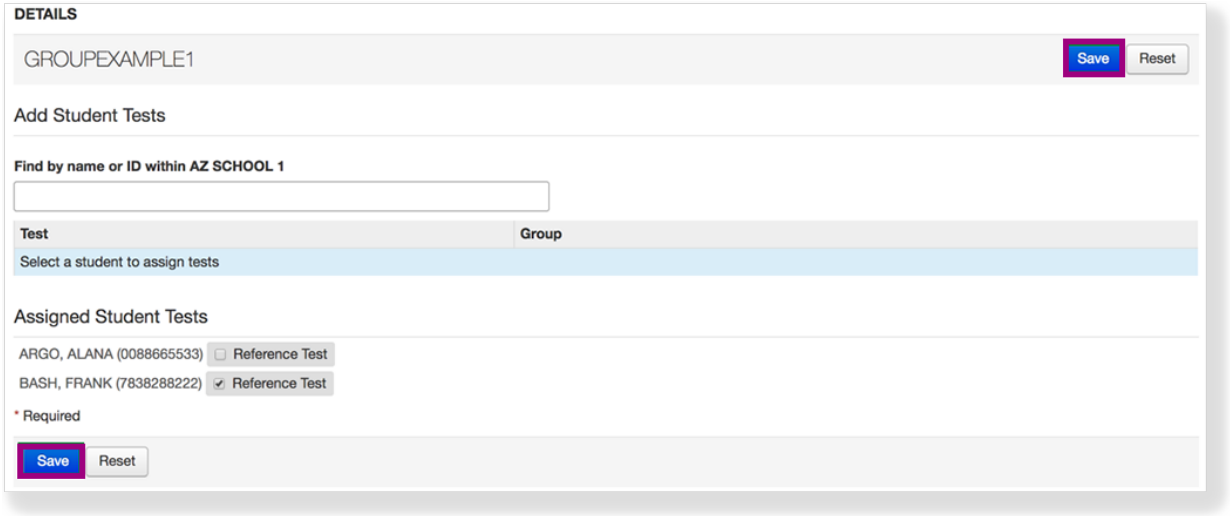

4. Click **Select Tasks**, select **Add / Remove Student Tests in Groups**, and click **Start.**

5. Click the checkbox next to the student test under **Assigned Student Tests**.

6. Click **Save**.

Effects

After you remove all student tests from a group, you or an authorized user can **delete the group**.
