View Alternate Assessment Reports

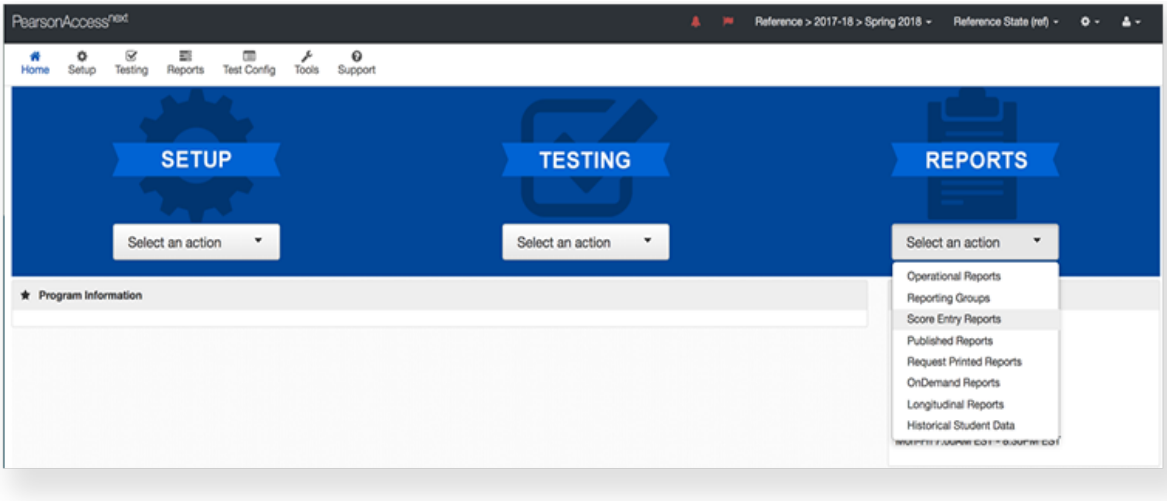

Available reports vary by program and role.

You can view the following alternative assessment reports:

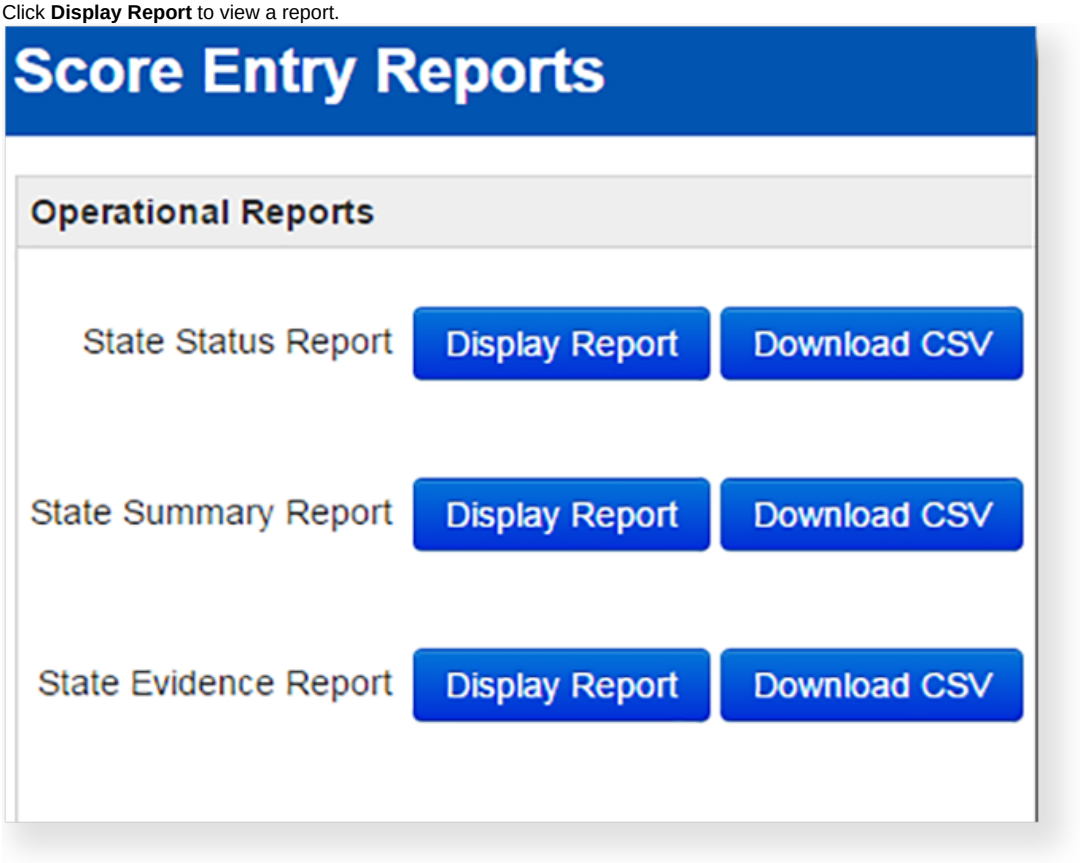

- **Status report:** Summarizes the alternative testing status within your organization.
- **Summary report**: Summarizes the alternate testing progress for your organization.
- **Evidence report**: Summarizes the number of files of each type that have been uploaded.

Step-by-Step

1. From **Reports**, select **Score Entry Reports.**

2. Click **Display Report** to view a report.

3. Click **Download CSV** to download the report.
